

PRINCIPLE Trial

Grove Medical Practice is taking part in the national PRINCIPLE clinical trial, which aims to find low-risk treatments for older people with COVID-19 that can be taken at home.

To be eligible to join the trial you will need to have experienced symptoms that are likely to be caused by COVID-19 for fewer than 15 days.

The trial is open to people aged 65 or over, or aged 50–64 with an underlying health condition.

If you are registered at Grove Medical Practice and would like more information, please contact us on 01480 462206 (Cromwell Place Site) or 01480 497477 (The Old Exchange Site). You can also join the trial online, even if you are not currently registered with our practice. For full details, visit <http://www.principletrial.org>
